TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

- Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
- Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) **only** if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: The claim amendment filed on August 11, 2008, is considered non-compliant because it fails to meet the requirements of 37 CFR § 1.121, as amended on June 30, 2003 (see 68 Fed. Reg. 38611, Jun. 30, 2003).

The amendment to the claims is non-compliant because it incorrectly and improperly lists the status of e.g., claim 16. In this case, the amendment filed August 11, 2008 lists the status of claim 16 as "previously presented"; yet section (xi) of claim 16 in this amendment contains the text "(A)MLGTHTMEV", which is amended from the amendment filed July 18, 2005, wherein section (xi) of claim 16 instead contains the text "(A)MLGTHTMEV". Furthermore, this change was not properly demarcated in the amendment filed August 11, 2008.

Briefly, the revised amendment practice now requires a listing of all claims beginning on a separate sheet. Each claim ever presented must be included in the listing of claims together with a single proper status identifier in parentheses. The permissible status identifiers include: "original", "currently amended", "canceled", "withdrawn", "previously presented", "new", and "not entered". The text of all pending claims, including withdrawn claims, must be presented. Markings to show only the changes made in the current amendment relative to the immediate prior version should be included with the text of all currently amended claims, including withdrawn claims that are amended. Added text must be shown by underlining the added text. Generally deleted text must be shown by strikethrough (e.g., ~~strikethrough~~); or if the strikethrough cannot be easily perceived, and for deletion of five or fewer characters, the deleted text may be marked by the inclusion of deleted text in double brackets (e.g., [[444]]). The text of "canceled" and "not entered" claims must not be presented; and consecutive "canceled" or "not entered" claims may be grouped together in one line (e.g., Claims 1-11 (canceled); Claims 51-62 (not entered)).

As a courtesy, Applicant is further advised that because this amendment has not been entered, claims 56-57, which were first presented in this amendment should have the status identifier (not entered) and be presented without claim text in future amendments. See MPEP 714 which states: "The status identifier (not entered) is used for claims that were previously proposed in an amendment (e.g., after-final) that was denied entry," and "Canceled and not entered claims must be listed by only the claim number and status identifier, without presenting the text of the claims."

Applicant is reminded: Only the corrected section of the non-compliant amendment must be resubmitted (in its entirety), e.g., the entire "Amendments to claims" section of applicant's amendment must be re-submitted. 37 CFR § 1.121(h).
